18.09.2021 · UK ministers have been warned by a top UN official that the decision to cut the £20 Universal Credit uplift may be a breach of human rights laws.

Human rights are moral principles or norms for certain standards of human behaviour and are regularly protected in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of their age, ethnic origin, location.

25.08.2021 · Scots living in the most deprived areas of the country were five times more likely to be hit with a fine under the Covid-19 regulations during the first phase of the national lockdown, a new study.

Scots law (Scottish Gaelic: Lagh na h-Alba) is the legal system of Scotland. It is a hybrid or mixed legal system containing civil law and common law elements, that traces its roots to a number of different historical sources. Together with English law and Northern Irish law, it is one of the three legal systems of the United Kingdom. Early Scots law before the 12th century consisted of the
